NOTICE TO OPERATORS

This is to inform that of recent, CAD has been receiving a lot of public complaints regarding low flying and as such CAD is investigating these complaints through Air Traffic Services by deriving information recorded in RADAR.

As per MCAR 2, 4.6, except when necessary for take-off or landing, or except by permission from the Director, a VFR flight shall not be flown:

- a) over the congested areas of cities, towns or settlements or over an open-air assembly of persons at a height less than 300 m (1 000 ft) above the highest obstacle within a radius of 600 m from the aircraft;
- b) elsewhere than as specified in 4.6 a), at a height less than 150 m (500 ft) above the ground or water.

All operators are urged to adhere to these regulations at all times. Failure to comply will necessitate enforcement action.
